membership benefits for you and your family

Tax Deductible

Like any donation, your membership fee is entirely tax-deductible!

Have a Say in Where We Go

As a voting member of FCHS, you are invited each year to our annual meeting, where our membership elects the new board members, provides feedback and communicates changes they wish to see.

Support Your Local Community and Economy

FCHS receives no funding from the Humane Society of the United States or local government and operates solely from generous, private donations from individuals like you and our local business community.

Through our many programs reserved for Frederick County residents, those dollars go right back into our local economy by exclusively using veterinary service providers and business partners based right here in Frederick County.

Membership Perks

Through the year, participating local businesses offer promotional discounts or discount days to Frederick County members.

For more information and for the latest perks, visit our website at www.fchs.org.
